A Note From The PMI Board of Directors:

All meeting times listed throughout this book are approximate and subject to change. Meetings on Tuesday, Wednesday and Thursday will be run consecutively, and while PMI will post any revisions to the published schedule each day on the easel outside of the Forum, it is your responsibility to monitor the times and progress of meetings.

Please note the Wednesday morning sessions run in parallel tracks beginning at 8:30 a.m. Choose the Technical Council or the Advocacy/Outreach Council. The groups will merge back together at 11:00 a.m.

PMI 2014 Fall Conference Schedule

Monday, October 27
1:30 pm - 4:30 pm     PMI Board of Directors Meeting (Invitation Only)
3:30 pm - 5:00 pm     Conference Registration
3:30 pm - 7:30 pm     Exhibit Hours and Networking
5:30 pm - 6:00 pm     First Time Attendee Reception
6:00 pm - 7:30 pm     Cocktail Reception (Dinner on your own)

Tuesday, October 28
8:00 am – 10:00 am     CEO/Executive Panel featuring: Michael Sipek, CEO, Bradley; Jai Shah, President, Delta Faucet Co.; Chris Baldwin, President, Global Faucets, Kohler; David Lingafelter, President, Moen; Tim O’Keeffe, CEO, Symmons; Claude Theisen, President and CEO, T&S Brass and Bronze Works; Bill Strang, President, TOTO, USA; moderated by Television Journalist, Producer and News Anchor, Bill Kurtis
10:00 am – 10:20 am     Commentary and Summary of the CEO/Executive Panel featuring: Bill Kurtis
10:20 am – 11:00 am     Grass Roots: Energizing the Base! by Bob Weidner, CEO Metals Service Center Institute (MSCI)
11:00 am – 11:30 am     Government Affairs Committee with reports from PMI Government Relations Consultants Stephanie Salmon, Washington D.C. Office, and Jerry Desmond, California Office
11:30 am – 12:30 pm     Government Affairs Committee with reports from PMI Government Relations Consultants Stephanie Salmon, Washington D.C. Office, and Jerry Desmond, California Office
12:00 pm – 1:30 pm     Lunch, Exhibits and Free Time for Office Catch-Up
1:30 pm – 2:00 pm     Combined Technical and Advocacy/Outreach Tracks to evaluate research priorities
2:00 pm – 3:00 pm     Networking Break and Exhibits
3:00 pm – 3:45 pm     Networking Break and Exhibits
3:45 pm – 5:00 pm     General Membership Meeting: elections, passing of the gavel, approval of the budget and dues, plaques and awards presentations
6:00 pm – 8:30 pm     “Chicago Style Dinner” and Networking Challenge/Event

Wednesday, October 29
8:30 am – 10:30 am     Dual Tracks (Choose One):
                        Technical Council Track
                        Advocacy/Outreach Council Track
10:30 am – 11:00 am     Networking Break and Exhibits
11:00 am – 12:00 pm     Jörg Rudolph, Vice President, Head of Product Management, NEOPERL, Comparison of “Green” Programs from Around the World
12:00 pm – 1:30 pm     Lunch, Exhibits and Free Time for Office Catch-Up
1:30 pm – 2:00 pm     Dual Tracks Session Reports and Website Update
2:00 pm – 3:00 pm     Fair Trade Committee: Yvonne Orgill, CEO, Bathroom Manufacturers Association (BMA) with Internet Sales vs. British-Born Products and Hampton Newsome, Attorney, Federal Trade Commission Bureau of Consumer Protection, Internet Sales: Non-Compliance Products/Environmental Labeling
3:00 pm – 3:30 pm     Networking Break and Exhibits
3:30 pm – 5:00 pm     Water Efficiency and Sustainability Committee with Christian Taylor-Hamlin, Technical Director, BMA; and Jennifer Atlee, Technical Liaison for Health Product Declaration Collaborative on Health Product Declarations
5:30 pm – 6:45 pm     Cocktail Reception and Exhibits
6:45 pm – 8:45 pm     Dinner with “Wit and Wisdom” from corporate personality Conor Cuneen

Thursday, October 30
9:00 am – 9:30 am     Jacob Tompkins, Managing Director, Conservation Generation, Rethinking Rebates – How to Mainstream Water Efficient Products
9:30 am – 11:30 am     Panel Discussion: “Future of Water Revisited” with “The Green Plumber” John Baethke, President, John Baethke and Son Plumbing; Mary Ann Dickinson, President and CEO, Alliance for Water Efficiency (AWE); Danielle Gallet, Infrastructure Strategist and Water Supply Program Manager, Center for Neighborhood Technology; Mike Ramsey, Water Superintendent, Village of Westmont, IL; Neal Shapiro, Watershed Section Supervisor, City of Santa Monica Office of Sustainability and Environment; and Ed Lichner, President, Hydrodyne.

NEXT ANNUAL PMI CONFERENCE

2015 Fall Conference
Hotel Contessa
San Antonio, TX
October 26 – 29 (tentative)

MARK YOUR CALENDAR FOR THIS FUTURE PMI EVENT!
ANTITRUST COMPLIANCE POLICY

It is and has been the policy of Plumbing Manufacturers International and its members to strictly comply with all laws applicable to Organization activities. Because our Organization’s activities involve cooperative undertakings which conceivably could be viewed critically by antitrust enforcement agencies, it is important to emphasize the unswerving commitment of our members and PMI to full compliance with federal and state antitrust laws. This statement is being distributed as a confirmation and reminder of that long-standing commitment and as a general guide to those antitrust principles which have particular significance to our activities and meetings.

This statement is not a summary of the laws applicable to trade association activity. It is intended only to highlight and emphasize the principal antitrust standards which are relevant to PMI programs. The antitrust laws are stated in general terms, and it is frequently difficult to be certain how those laws may be applied. You are, therefore, encouraged to seek the guidance of Organization Legal Counsel and your own attorneys.

Responsibility for Antitrust Compliance
PMI's structure has been fashioned and its programs are carried out in conformance with antitrust standards. Paramount responsibility for antitrust compliance which includes avoidance of even an appearance of improper activities is yours. Your corporate employer and this Organization depend on your good judgment to avoid all discussions and activities which involve improper subject matter or improper procedures. It is your responsibility to limit your discussions and activities to matters identified on the agenda. Our staff members work conscientiously to avoid subject matter or discussion which may have unintended implications, and counsel for the Organization provides guidance with regard to these matters. It is important for you to realize, however, that the competitive significance of particular conduct and communication probably is most readily evident to you, who are directly involved in the industry.

Antitrust Guides
These guides deal specifically only with the federal antitrust laws which have most direct relevance to your Organization activities; but compliance with the federal laws will normally ensure compliance with state laws. The principal relevant statutes are the Sherman Act, which is enforced primarily by the Antitrust Division of the United States Department of Justice, and the Federal Trade Commission Act, which is enforced by the Bureau of Competition of the Federal Trade Commission. Penalties for violating the antitrust laws are severe. Corporations are subject to heavy fines and injunctive decrees which can have far-ranging impact on corporate activities, and may be liable for substantial damage judgments. Individuals are subject to criminal prosecution, and may be punished by fines and imprisonment. In general, the antitrust laws seek to preserve free and open competition in the United States and in commerce with foreign countries. Competitors may not restrain competition among themselves with reference to the price, the quality or the distribution of their products, and they may not agree or act together to restrict the competitive capabilities or opportunities of other competitors, their supplies, or their customers. In all trade associations you should heed the following guidelines:

Prices
Prices, discounts or other terms of sale must never be discussed at PMI meetings.
Other Competitive Information
Communication or exchange of confidential competitive information of other kinds may also be improper, and PMI imposes safeguards to prevent inappropriate disclosures. For example, when composite statistical information is compiled and published, the Organization reports are made for proper uses and purposes only, and represent an aggregation of historical data from its members; and individual member's data is not disclosed to other members or to those outside the Organization.

Meetings
PMI meetings are carefully structured and monitored. Agendas for all meetings are prepared, approved by legal counsel and circulated in advance. They are carefully followed at the meeting. A PMI staff member attends all PMI meetings and is responsible for preparing the minutes of each meeting. PMI legal counsel attends all Organization membership meetings, Board meetings and other Organization meetings at which sensitive issues are discussed and legal counsel reviews the minutes of all meetings. There are no informal meetings of the Organization or any of its committees. Discussion of legally sensitive matters must never occur outside of formal meetings, such as at social functions, events or otherwise.

Membership and Participation
Membership in PMI is open to all companies who meet the requirements of the Organization’s Bylaws. The Organization is constantly seeking to broaden its membership base to include all industry members. Organization meetings are open to all members. Organization publications are available to all members and to non-members for a reasonable charge. Wide membership participation is sought in all PMI programs.

Public Statements
The Organization wishes to insure that its public statements such as those to federal and state government officials made on behalf of the plumbing industry as well as its press releases and public communications are accurate and complete. To this end, it is important that each Organization member insure that member information and data reported to the Organization is accurate and complete. To the extent that the member assists in developing the PMI position, the member should insure that the reported statement complies with the Organization's policy for accuracy and completeness.

Improper Appearances
Compliance with this policy involves not only the avoidance of antitrust violations, but the avoidance of any behavior which might be so construed. Communications or correspondence must never be conducted in a surreptitious manner or contain language which could be misunderstood. Copies of all Organization-related correspondence should be sent to an appropriate staff member. If any question arises about any PMI activity, you should consult your attorney, PMI staff or PMI Legal Counsel.

Conclusion
The Organization will not knowingly be a party to conduct which restricts in any way a member's freedom to make independent decisions in matters that affect competition or otherwise. You have an important responsibility to make sure that our Organization's activities conform to this standard.

Adopted May 1980
Revised and Reaffirmed September 2001
Updated with Name Change 2010
PMI's Vision:
Safe, responsible plumbing. Always.

PMI’s Mission:
The Mission of Plumbing Manufacturers International is:

- To promote the water efficiency, health, safety, quality and environmental sustainability of plumbing products while maximizing consumer choice and value in a fair and open marketplace.

- To provide a forum for the exchange of information and industry education.

- To represent openly the members' interests and advocate for sound environmental and public health policies in the regulatory/legislative processes.

- To enhance the plumbing industry's growth and expansion.
Strategy Map

Mission: To promote water efficiency, health, safety, quality, and environmental sustainability of plumbing products while maximizing consumer choice and value in a fair and open marketplace.
To provide a forum for the exchange of information and industry education.
To represent openly the members’ interests and advocate for sound environmental and public health policies in the regulatory/legislative processes.
To enhance the plumbing industry’s growth and expansion.

Strategy Statement

World Class Technical Expertise

Continue to reinforce and enhance our leadership role in the development and promotion of codes and standards, promoting the design of safe, affordable and higher performing, water efficient products.

World Class Advocacy/Outreach

Proactively ensure PMI is engaged within the legislative process and the overall objectives of legislators by

…educating the government about the jobs we create and the economic value we generate through our manufacturing processes

…promoting the value and impact of our high performance water conscious products

…working in partnership to identify new and creative ways to maximize the efficient use of water; sharing technologies to promote aggressive yet attainable emerging regulations

…advocating the conscientious replacement/modernization of aging plumbing products as they affect our infrastructure systems

With the overall purpose of making our businesses more viable within the regulatory and legislative arena, and in turn elevating our ability to effectively compete in the global marketplace with high performance products that contribute to the sustainability of the planet.
PMI Core Value To Members and Objectives

### Technical Expertise
- Harmonize Requirements
- Impact Development of Codes and Standards
- Advance PMI’s Cause

### Advocacy/Outreach
- Educate
- Inform
- Advance PMI’s Cause

### Action

- Send water efficiency matrix to water districts
- Monthly articles by PMI team to trade press
- Launch policymakers’ page on website
- Proactively communicate matrix to CEO’s
- Repurpose technical information
- Secure a writer
- Nurture legislative champions
Action Plan: External

Reach out to water districts with PMI's water efficiency matrix
PMI team to develop topics and schedule for articles to trade press
Expand awareness with certifiers
Expand awareness with code officials
Launch policymakers page on website
Keep websites fresh
Repurpose technical information for youth and vocational outreach
Secure a writer
Nurture legislative champions
Explore social media options to expand reach and include youth
Review and update vision statement
Investigate ways to promote PMI and increase our voice
Investigate ways to effectively use PMI's current communication pieces
Build upon global alliances (BMA, CIPH, CEIR, PPIG, VDMA)
Leverage industry relationships

Action Plan: Internal

Continue to pursue potential full members and allied members
Continue to build relationships within member companies and with the CEOs
Develop a strong value proposition for members
Communicate PMI successes throughout member companies
Establish CEO advisory board
Continue to work on Board development and structure
Re-evaluate conferences, meetings, and committees
Promote active participation in PMI events and meetings
Review dues structure
Be mindful of limits on association resources including staff time

Past Presidents of PMI and PBI

**Plumbing Manufacturers International**

2013 Jeff Baldwin, T & S Brass and Bronze Works (jbaldwin@tsbrass.com)
2012 Stewart Yang, Kohler Co. (stewart.yang@kohler.com)
2011 Jack Krecek, Elkay Manufacturing Company (out of the industry)
2010 Lee Mercer, Moen Incorporated (lee.mercer@iapmo.org)

**Plumbing Manufacturers Institute:**

2009 Walt Strader, Pfister (retired)
2008 Rod Ward, Speakman Company (rward@speakmancompany.com)
2007 Ken Martin, Delta Faucet Company (kpm@deltafaucet.com)
2006 Claude Theisen, T&S Brass and Bronze Works (ctheisen@tsbrass.com)
2005 John Lauer, Sloan Valve Company (john.lauer@sloanvalve.com)
2004 Jim Westdorp, Kohler Co. (jim.westdorp@kohler.com)
2003 Ralph Herrbach, Cifial USA (ralph@waterplace.us)
2002 Todd Talbot, BrassCraft Mfg. Co. (ttalbot@fluidmaster.com)
2001 Frank Evans, Chicago Faucet Company (retired)
2000 Linda Mayer, Moen Incorporated (out of the industry)
1999 Fred Luedke, NEOPERL (retired)

**Chairs:**

1998 William O’Keeffe, Symmons Industries (wokeffe@symmons.com)
1997 Gary Turner, Teledyne Water Pik
1996 Alan Lougee, Chicago Faucet Company
1995 Patrick Kelly, Haws Corporation
1994 Alan Barry, Brasscraft/Masco (retired)
1992 James McNeany, Gerber Plumbing Fixtures Corporation
1991 Joseph Woodford, WCM
1990 Craig Selover, Delta Faucet Company (retired)
1989 Richard Chandler, Central Brass Manufacturing Company
1988 Richard Swiers, Chicago Faucet Company
1987 Claus Ziegler, Interbath
1986 Delwin Renfroe, U.S. Brass
1985 Dirck Barhydt, WPM
Presidents:
1984  Fred Schmuck, Fluidmaster
1983  Raymond Kennedy, Delta Faucet Company/Masco
1982  Bruce Barlow, C S & B
1981  Peter Warshaw, Speakman Company
1979  Art Perlet, Garvin, Division of RHW
1978  Edward Leutheuser, Alsons Corporation
1977  George Theisen, T&S Brass and Bronze Works
1976  George Theisen, T&S Brass and Bronze Works

Plumbing Brass Institute:
1975  Warren Fisher, Guarantee Specialty
1974  Everett Wilcox, Leonard Valve Company
1973  Harry Lipman, Jameco Industries
1972  Howard Griesbach, Powers Regulator
1971  Roger Milroy, Lee Brothers Co.
1970  Willard Denham, Speakman Company

AGENDA | 1.0 (A) TECHNICAL COUNCIL TRACK

DATE:      WEDNESDAY, OCTOBER 29, 2014                  TIME:  8:30 AM – 10:30 AM
PLACE:     THE WESTIN, ROSEMONT, IL                 ROOM: THE EXECUTIVE FORUM

CO-CHAIRS:  UNIVERSAL CONFORMITY ASSESSMENT (UCA) CHAIR:
            BRIAN HINSON, KWC AMERICA (F’12 THROUGH F’15)
TECHNICAL COMMITTEE CHAIR:
            MICHAEL MARTINEZ, DELTA FAUCET COMPANY (F’13 THROUGH F’16)
MATERIALS PERFORMANCE CHAIR:
            JOHN FINCH, DELTA FAUCET COMPANY (SP’13 THROUGH F’16)
PLUMBING PRODUCTS CHAIR:
            DAVID MARBRY, FLUIDMASTER (F’12 THROUGH F’15)

Time
8:30AM  1.1 Call to Order and Opening Remarks/Antitrust Compliance Statement  Chair
Meeting attendees are reminded of the PMI Antitrust Compliance Policy.  Adherence to
the Policy is mandatory.  Review of the PMI Antitrust Policy can be found online here.

1.2 Announcements  Chair

1.3 Approval of the March 4, 2014 Technical Council Meeting Minutes  Chair
(See Attachment 1.3)

8:35AM  1.4 2014 Spring Conference Action Items  Chair
Action Items from the Spring Conference were:

- PMI staff will draft a summary document on the research gaps identified during
  the 2013 PMI Fall Conference.  (Completed)
- PMI staff will summarize the risk assessment report and issue it on a monthly
  basis starting in March.  (One-time presentation completed.  There was no
  intention for the report to be issued monthly)
- PMI staff will schedule conference calls to draw up test plans, determine how to
  estimate costs and develop full project proposals for priority projects #2
  through #5.  (Under review)

8:45AM  1.5 Canadian Water Quality Association (CWQA) Report  Wong
Kevin Wong, Executive Director, Canadian Water Quality Association (CWQA)

9:00AM  1.6 LCA Panel  Schneider
Moderated by Jim Schneider, Editorial Director, Plumbing Engineer

10:00AM  1.7 Questions and Answers  Schneider

10:15AM  1.8 Summary of Action Items  Sigler

10:25AM  1.9 Summary  Sigler

10:30AM  1.10 Adjournment  Sigler
# AGENDA | 1.0(B) Advocacy/Outreach Council Track

APPENDIX A

Open Action Items:

- Dawn Robinson will provide a list of A/O achievements for the A/O group during the Fall Conference.

- Dawn Robinson will work with member companies to obtain videos and other graphic elements they may have discussing industry issues to be posted to a new section of the Safe Plumbing website. This section will be a 'highlights’ section to accompany the existing Member Company Press Release section. Its completion will coincide with the launch of the new website. GATHERED: INFORMATION HAS BEEN GATHERED, WILL BE POSTED WITH THE LAUNCH OF THE NEW WEBSITE

- Dawn Robinson will develop several infographics to accompany key PMI talking points and concerns to be shared on the website and social media sites. IN PROCESS: WILL BE POSTED WITH THE LAUNCH OF THE NEW WEBSITE

- The draft of the retrofit handout will be revised to focus more on what the intended audiences (i.e. consumer, water utility, restaurant/hotel, etc.) can do and emphasize that the manufacturers have done their part to make the products, now we need to get them used. DRAFT COMPLETE, AWAITING REVIEW

- Dawn Robinson will work to create a document summarizing the work PMI has done on the “How Low” subject in the form of a 5 things you should know. IN PROCESS

Action Items Listed as On-Going or Business-As-Usual:

- Dawn Robinson will work to create both a press release on retrofits and a related letter-to-the-editor to highlight PMI’s “Drips to Gallons” message. ON-GOING

- Dawn Robinson will begin sending more frequent push notices through the mobile app to promote PMI and its initiatives. ON-GOING

Action Items Listed as Complete:

- PMI will gather the list of names and contacts from each company who are willing to assist in reaching out to prospective members by April 1, 2014 and work with them to invite these prospective members to join PMI; including issuing invitations to PMI Conferences and events. COMPLETE (will continue to promote)

- Dawn Robinson will go through the list of national and world celebration days to find new events to use in social media to raise awareness for PMI’s issues. COMPLETE (will continue to promote)

- Dawn Robinson will work to gather additional factoids in the discussed areas of the plumbing timeline to include for vetting on the next two A/O committee conference calls. COMPLETE

- Dawn Robinson will look into offering a rebate finder on the Safe Plumbing website. COMPLETE

- Dawn Robinson will send out a survey prior to April 1, 2014 to allow members to indicate their interest in the project or it will be cancelled. CANCELLED

- PMI trade show booth/Fluidmaster will help design and order banners to be used by PMI in booth and table top displays. COMPLETE
• Dawn Robinson will meet with social media report vendors to determine the costs of purchasing reports for PMI and Safe Plumbing’s social media accounts in order to quantify their reach and success. COMPLETE, WILL REVIEW BUDGET TO DECIDE PURCHASE ABILITY

• Ms. Higgens will contact Victor Post to request a sample of his proposed presentation for the A/O Dual Track session of the 2014 PMI Fall Conference to be circulated to the A/O group in order to determine if they would like to have him speak during that session. COMPLETE

• Dawn Robinson will circulate to the A/O group the list of the Technical team’s top five research gaps for the How Low project. Ms. Robinson also noted that Victor Post, who spoke at the last PMI conference in spring, has been contacted as a potential speaker for the A/O group’s breakout session. Ms. Higgens agreed and offered to reach out to him to request a sample of the presentation. COMPLETE

• Dawn Robinson will establish a recurring hashtag, to be used on PMI’s Twitter and Facebook accounts, that shares a new event from the timeline each Thursday. COMPLETE

• Dawn Robinson will issue a press release about the timeline to the media. COMPLETE

• Dawn Robinson will make the correction to the timeline to the 1906 date and also add in the additional items submitted by NSF and others following the receipt of the event details. COMPLETE

• Barbara C. Higgens will ask Mr. Kucinski to provide a sample of his proposed presentation and make a final decision on whether or not to add him to the list of speakers for the Fall Conference. She will share this decision with the group on the August 21 conference call. The decision was made not to include Mr. Kucinski as a speaker at this time.

• The A/O group will review the potential list of research projects to and be ready to provide their ranked list during the next A/O conference call. Following the August 21, Conference call, it was decided to revisit the research project following a Tech review of their list and after the A/O votes indicated the primary concern was drainline carry issues which are being addressed through PERCII, the money will be considered for other projects such as PR firms and other advocacy avenues. Date: Wednesday, October 29, 2014  
Event: Water Efficiency and Sustainability Committee  
Time: 3:30 pm – 5:00 pm

Jennifer Atlee  
Technical Liaison  
Health Product Declaration Collaborative  
Phone: 802-380-4966  
jatlee@hpdcollaborative.org

As Technical Liaison for the Health Product Declaration Collaborative, Jennifer Atlee supports the HPD Collaborative’s Manufacturers Advisory Panel, the continued evolution of the HPD standard, and adoption of the HPD by manufacturers and their supply chain.

Throughout her prior work at BuildingGreen, the Toxics Use Reduction Institute, MIT’s Material Systems Laboratory, and the Rocky Mountain Institute, Ms. Atlee has held a longstanding focus on effective assessment of products, processes, and organizations toward sustainability objectives. Ms. Atlee received a bachelor’s degree in Environmental Science from Brown University, and a dual masters in Technology Policy and Materials Science and Engineering, both from the Massachusetts Institute of Technology.

Event: Panel Discussion: “LCA”  
Time: 8:30 am – 10:30 am

Steve Baer  
Principal Consultant and Director  
PE International, Inc  
Phone: 617 247 4477  
S.Baer@pe-international.com

Steve Baer is a principal consultant for PE INTERNATIONAL, Inc. and brings over 35 years of experience in manufacturing, product development, marketing and sustainability consulting. Mr. Baer’s work focuses on helping clients to better understand and improve the environmental footprints of their products as well as their corporate sustainability practices.

Mr. Baer leads the Building and Construction Services sector in North America. He is the immediate past chair of the U.S. Green Building Council (USGBC) LEED Materials Technical Advisory Group as well as a member of the LEED Technical Committee and the Codes Committee. Mr. Baer chairs the USGBC Supply Chain Working Group. He is a frequent speaker at USGBC, universities and American Institute of Architects (AIA) conferences. Additionally, Mr. Baer is an adjunct Professor at the University of Pennsylvania, where he teaches a Business Sustainability course in the Department of Environmental Studies.

Prior to working with PE INTERNATIONAL, Mr. Baer was a Senior Principal Scientist with Armstrong World Industries. In this role, he provided manufacturing management support for Armstrong’s facilities throughout the world and oversaw Armstrong’s pioneering ceiling recycling program.

Mr. Baer is a Chemical Engineering graduate from Rensselaer Polytechnic Institute (RPI). He lives on the Jersey shore and works out of PE INTERNATIONAL’S Boston office.

John Baethke
President
John Baethke & Son Plumbing
Phone: 773-276-5430
jbaethke@baethkeplumbing.com

John Baethke has owned John Baethke & Son Plumbing in Chicago for 20 years. Prior to owning John Baethke & Son Plumbing, Mr. Baethke worked in residential and commercial new construction for 10 years in Crystal Lake and Rolling Meadows.

Mr. Baethke provides a large variety of plumbing services with expertise in residential and light commercial plumbing, flat rate service contracting, water heater repair and installation as well as emergency plumbing services. Mr. Baethke also has expertise in “Green” plumbing conservation featuring low flow products and high efficiency technology.

Mr. Baethke is a member of numerous affiliations including the Plumbing Council of Chicagoland, Plumbing Contractors Association (PCA), GreenPlumber, Chicagoland Chamber of Commerce, National Plumbing, Heating & Cooling Contractors Association (NAPHCC), and Illinois Plumbing Heating and Cooling Contractors (ILPHCC) and the Service Roundtable. Finally, Mr. Baethke’s company holds the Better Business Bureau A+ Rating.

Mr. Baethke was the first certified “GreenPlumber” contractor in Chicago and Illinois. John Baethke and Sons Plumbing has received numerous Better Business Bureau’s Complaint Free Awards, was voted best service Plumbing Company in Chicago by “The Reader” and received the Better Business Bureau “Torch Award for Business Ethics”.

Mr. Baethke holds the Cross Connection Control Inspectors License & Certification, and the Licensed Green Plumber Cross.

Christopher Baldwin
President
Global Faucets, Kohler Company
Phone: 920-457-4441
chris.baldwin@kohler.com

Chris Baldwin currently serves as President – Global Faucets, a sector of Kohler Company. In this role he provides full-scope leadership at both the strategic and operational levels for the Global Faucets business and leads the sector’s functional activities from product development and manufacturing to finance and human resources.

Mr. Baldwin is a seasoned leader experienced in sales, marketing, new product development and general management. Mr. Baldwin joined Kohler Co. in July 2005 as Director – RV/Mobile within Kohler Power Systems where he was responsible for developing and launching this new business sector and building the team to execute and manage its growth. In 2007, Mr. Baldwin was appointed General Manager – Kallista. While at Kallista, Kohler Co.’s luxury, boutique plumbing business, he directed and provided leadership for all operating functions, including sales, marketing, supply chain, customer service, new product development, engineering, finance and administration. Before joining Kohler Co., Mr. Baldwin held positions in sales, marketing and new product development at Siemens Building Technologies, Inc., including roles as Product Manager and National Sales Manager. Mr. Baldwin previously also held positions at Eaton Corporation and Dwyer Instruments, Inc.

Mr. Baldwin has a Bachelor of Science degree in chemical engineering from Purdue University and a Master of Business Administration degree from Northwestern University, J.L. Kellogg School of Management.
Veronica Blette is the Chief of the WaterSense Branch in the Office of Wastewater Management at the U.S. Environmental Protection Agency (EPA).

Prior to her current position, Ms. Blette served for several years as Special Assistant to the Director of the Office of Ground Water and Drinking Water and also served as the Team Leader of the Drinking Water State Revolving Fund.

Before joining EPA in 1997, Ms. Blette worked in the academic research and environmental consulting fields on projects investigating the effects of atmospheric deposition on terrestrial ecosystems and water quality.

Ms. Blette has a B.A. in Geology from Smith College and a M.S. in Geology from the University of Massachusetts.

Conor Cunneen
Author and Business Humorist
Irishman Speaks
Phone: 630-718-1643
cc@irishmanspeaks.com

Conor Cunneen is an Irishman happily exiled in Chicago where he says the Guinness is good, the natives are friendly and he has been force-fed more corned beef and green beer than he ever had in Ireland. Mr. Cunneen is also a sought after speaker, educator and an award winning humorist who combines wit and wisdom to provide powerful and memorable programs to help you set the pace.

A former VP Marketing with Unilever, who has worked in Ireland, UK and USA, Mr. Cunneen’s objective is to leave with implementable ideas to improve performance, productivity and teamwork and, oh yeah, a spring in your step, a smile on your face and a beat in your heart (Medical authorities state the latter is very important).

Conor Cunneen is:

- A Chicago Humorous Speaker of the Year for a speech—would you believe?—on Customer Service in San Quentin Prison.
- Fellow Marketing Institute of Ireland
- One of less than 70 people in history of Toastmasters to be designated Accredited Speaker
- Author of four books including Why Ireland Never Invaded America (that’s a business book!) and the soon to be published What Mark Twain Learned Me ’bout Public Speakin’
- Curator and publisher of www.TodayinIrishHistory.com
- President-Elect National Speakers Association – IL Chapter
- Board member Community Career Center Naperville
- Host JobTalk on Chicago radio
- Husband to his long suffering wife, Pat!

Mary Ann Dickinson
President and CEO
Alliance for Water Efficiency (AWE)
Phone: 773-360-5100
maryann@a4we.org

A frequent presenter at PMI conferences, Mary Ann Dickinson is the President and CEO of the Alliance for Water Efficiency, a non-profit organization dedicated to promoting the efficient and sustainable use of water in the United States and Canada. Headquartered in Chicago, the Alliance works with over 400 water utilities, water conservation professionals in business and industry, planners, regulators, and consumers.

Prior to joining the Alliance in July of 2007, Ms. Dickinson was Executive Director of the California Urban Water Conservation Council (CUWCC), a non-profit organization composed of urban water supply agencies, environmental groups, and other entities managing statewide water conservation in California and implementing the nation’s first set of Best Management Practices.

Ms. Dickinson has over 40 years of experience, having worked at the Metropolitan Water District of Southern California (MWD), the South Central Connecticut Regional Water Authority (RWA), and the Connecticut Department of Environmental Protection (DEEP). A graduate of the University of Connecticut with a degree in environmental planning, Ms. Dickinson has authored numerous publications on water conservation, land use planning, and natural resources television and community cable stations. Ms. Dickinson is Chair of the Efficient Urban Water Management Specialist Group for the International Water Association (IWA), past Chair of the American Water Works Association National Water Conservation Division (AWWA), past President of the California Irrigation Institute (CAII), past President of the Lake Arrowhead Community Services District, and currently serves as a Board member of the U.S. Water Alliance, Texas Water Foundation, and River Network. Ms. Dickinson has presented numerous papers on water conservation internationally and all across the United States and Canada.

Bill Kurtis
Acclaimed Documentary Host, Producer and Broadcaster
Leading Authorities
Phone: 202-721-7679
lida@lauthorities.com

An acclaimed documentary host and producer, network and major market news anchor, multimedia production company president, and grass-fed cattle rancher, Bill Kurtis is celebrating his 45th anniversary in the field of broadcasting. Over the years, Mr. Kurtis has created a body of work that is virtually unparalleled.

Born in Florida and raised in Independence, Kansas, Mr. Kurtis graduated from the University of Kansas with a Bachelors of Science degree in Journalism. He attended Washburn University School of Law where he was awarded a Juris Doctor Degree. Mr. Kurtis began his television career at WIBW-TV (CBS) in Topeka, Kansas. In 1966, after being recognized for his 24-hour coverage of a devastating tornado, Mr. Kurtis was hired by WBBM-TV in Chicago where he was a field reporter and later anchor of The Channel Two News. Mr. Kurtis moved on to the network level at CBS where he anchored the CBS Morning News and contributed to CBS Reports. He is credited with breaking the Agent Orange story and the story of American children in Vietnam. He returned to Chicago and WBBM-TV as anchorman from 1985-1997 and was reunited with co-anchor Walter Jacobson in the fall of 2010-2013.

In 1990, he founded Kurtis Productions, traveling to the far ends of the earth for the Peabody Award-winning series The New Explorers, which aired on PBS. Kurtis Productions has also created programs for the A&E Networks, including the long running, award winning Investigative Reports and Cold Case Files as well as Investigating History for the History Channel. Mr. Kurtis has also served as the host of A&E’s American Justice-the longest running non-fiction justice series on cable. Cold Case Files was nominated for 2004 and 2005 Primetime Emmys for Outstanding Nonfiction Series.

Mr. Kurtis also provided satirical narration for the feature film comedy Anchorman: The legend of Ron Burgundy, starring Will Ferrell. In 2008-2009, Mr. Kurtis served as the on-camera television spokesman for AT&T in a series of popular and humorous
commercials that featured him in internet challenges with sports superstars Michael Phelps, Floyd Mayweather, and Andy Roddick.

Mr. Kurtis is also an author: *the Death Penalty on Trial: Crisis in American Justice* (Public Affairs) is his most recent book, which explores issues surrounding capital punishment in America. By profiling two murder cases, Mr. Kurtis reveals his change of mind regarding capital punishment.

In his home state of Kansas, Mr. Kurtis is an active conservationist. His 10,000-acre Red Buffalo Ranch is located in the last section of North America to enjoy untouched tallgrass prairie.

In 2005, Mr. Kurtis founded Tallgrass Beef Company to champion the environmental and health benefits of grass-fed cattle ranching. Today, Tallgrass Beef can be found in restaurants, retailers, and on the internet at www.tallgrassbeef.com.

Mr. Kurtis is the recipient of numerous humanitarian, journalism, and broad casting awards. He is a member of the board of directors of several distinguished organizations including The Nature Conservancy, Chicago Green City Market, Chicago Botanic Garden, Brookfield Zoo, and the Field Museum of Chicago.

Yvonne Orgill
Chief Executive
Bathroom Manufacturers Association
Phone: 44 1782747123
yvonne.orgill@bathroom-association.org.uk

A frequent presenter at PMI conferences, Yvonne Orgill is Chief Executive of the UK’s Bathroom Manufacturers Association – the BMA. Since 2006, when she was appointed CEO, the BMA has grown significantly and is now recognized and respected as “The Voice of the UK Bathroom Industry”. Today, Ms. Orgill leads a trade body of 104 well recognized bathroom brands – both manufacturers and media involved in the UK bathroom industry. Its members employ over 10,000 people across 70+ sites and are responsible for a combined membership turnover in excess of £1 billion. Ms. Orgill represents the UK bathroom industry on a number of forums in the UK and Europe.

Ms. Orgill regularly meets with the UK Government and the European Commission. Ms. Orgill is a high profile spearhead of the European Water Label; the scheme was introduced and developed by the BMA and has now been adopted across Europe, and beyond, in over 30 states. In 2013 the scheme gained the support of major UK builders’ merchants and retailers. The scheme was awarded its’ fourth award at the 2014 Environment Awards. Ms. Orgill represents the BMA at two European Bathroom Trade Bodies.

Ms. Orgill’s most recent mission is to lead a new consumer campaign – ‘Hot Water Burns Like Fire’. This highlights the pressing need for thermostatic valves to be installed in every UK bathroom, reducing terrible scalding accidents and the current 20 deaths per year to zero via awareness and incentive schemes. The scheme was launched at this year’s Bathroom and Kitchen Business Conference.

In March 2013, at the prestigious kbbreview Awards in London, Ms Orgill was delighted to receive the Special Achievement Award. This particular award is given to those individuals who have made an ‘outstanding contribution to the kitchen and bathroom industry’. On the following evening at The Sentinel Business Awards in Staffordshire, the BMA received The Business Innovation Award for The Water Label.

Mike Sipek
Chief Executive Officer
Bradley Corp
Phone: 262-532-1001
Mike.Sipek@bradleycorp.com

Mike Sipek was appointed COO of Bradley Corp in 2007 and CEO in 2014. In his role, Mr. Sipek is responsible for overall strategic direction for Bradley, including manufacturing, engineering, customer service, marketing, sales, and product development.

Mr. Sipek draws from over 30 years of experience within the manufacturing industry including roles as president and CEO of Western Industries, numerous executive positions at Rexnord Corporation and as an officer of a private equity firm. In his free time he and his wife Linda are avid Harley enthusiasts, engaging in rides across the US.
Mr. Strang grew up in Michigan where he began his professional career as an Industrial Engineer in the automotive industry, in subsequent years; he worked in corporate leadership positions for John Crane Company, Four Winns Boats and in the venture capital business, and has traveled extensively around the world. Mr. Strang's entire career has centered on the manufacturing sector, in products that range from stern tube shaft seals for Trident submarines, to hydraulic power equipment to the production of recreational power boats.

Today Mr. Strang is President, TOTO Americas – Operations Group and Chairman of TOTO Mexico; he has responsibility for all Operations, including Supply Chain, Product Design and Development Engineering, Quality, Environmental Sustainability and management of the five TOTO North America plants: Morrow, GA; Lakewood, GA; Fairburn, GA; and Ontario, CA, Monterrey Mexico with 1.8 million sq ft under roof.

Under Mr. Strang’s leadership, TOTO has received awards for 5S Lean Manufacturing implementation, US EPA Water Efficiency Leadership Award, Georgia Governor Sonny Perdue’s Water Conservation Leadership Award, the Argon Award, the City of Atlanta Phoenix Award, and Chattahoochee Riverkeeper Sustainability Award. TOTO is the largest percentage user (at 50%) of Green Energy from Georgia Power.

TOTO USA has also developed secondary uses for recycling channels for the waste streams from the manufacturing process, upcycling them from waste to raw material feed stocks for other manufacturers. All of these endeavors, from Cradle to End of Life Recycling are tracked using Life Cycle Assessment methodologies to measure and reduce the impacts that our products have on the environment.

Mr. Strang received the Argon Award for leadership in sustainability. Previous winners of this award have been Ted Turner – Chairman of the Turner Foundation, Arthur Blank – co-founder of Home Depot, Jim Jacoby – Founder and CEO of Jacoby Development and Ray Anderson – Chairman of Interface Company.

Christian Taylor-Hamlin
Technical Director
Bathroom Manufacturers Association
Phone: 44 1782 631619
cth@bathroom-association.org.uk

Back again to address the PMI conference, Christian Taylor-Hamlin has spent the last fourteen years in the bathroom and plumbing industry and has worked for major manufacturers in the world of thermostatic valves, taps and showers controls before joining the Bathroom Manufacturers Association (BMA) in November 2008. Mr. Taylor-Hamlin is currently employed as the Technical Director at the BMA and as such has actively supported and promoted the organization to help it become recognized as “The Voice of The Bathroom Industry.”

Today the BMA represents collectively over 100 brands of the United Kingdom bathroom industry with its members directly employing in excess of 10,000 people over 70+ sites and is responsible for membership turnover in excess of £1 billion at factory gate prices.

Mr. Taylor-Hamlin has specialized in Regulatory Approval issues and in the development and writing of both British and European standards for the main products found in the UK bathroom such as shower valves, taps and WCs. He actively represents the UK and BMA Members’ interests in over 30 technical committees.

Mr. Taylor-Hamlin has also worked to help expand and promote the European Water Label Scheme and the Bathroom Academy in the UK market place. The European Water Label Scheme, while remaining voluntary and therefore being steered by industry, is now picking up recognition from the UK government and the European Commission and has also been written into public procurement documents.

Robert Weidner, III
President and CEO
Metals Service Center Institute (MSCI)
Phone: 847-485-3002
bweidner@msci.org

Bob Weidner was named president of the Metals Service Center Institute (previously the Steel Service Center Institute) and to its Board of Directors in November 2001, and Chief Executive officer in November 2002. Mr. Weidner is a member of the Executive, Investment, and Budget and Audit Committees. Mr. Weidner is responsible for all programs, services and operations of the organization.

Mr. Weidner was previously vice president, human resources, and earlier vice president, communications and investor relations, and a member of the Corporate Executive Council of Alliant Foodservice, Inc., a $6.5 billion foodservice distribution company. He also served as general manager, communications and stakeholder relations, at Inland Steel Industries, capping a 17-year career at that steel manufacturing and metals distribution company. Mr. Weidner held a variety of finance, sales, marketing, communications and investor relations positions there.

Mr. Weidner received his MBA in finance and accounting from the University of Notre Dame in 1981. He is a member of the National Association of Wholesaler-Distributors (NAW) Association Executives Council and served as the Council’s chairman in 2009. From 2008 – 2010, he was a director on NAW’s board. He is also a member of the American Society of Association Executives, the U.S. Chamber of Commerce’s Association Committee of 100, the American Council for Capital Formation Association Council, the Association Forum, the National Association of Corporate Directors, and the Executives’ Club of Chicago. In addition, Mr. Weidner is a former director of the board of the National Association of Manufacturers (NAM) and served as the 2011 chairman of the NAM Council of Manufacturing Associations’ Board of Directors. He was a director of the National Investor Relations Institute (NIRI) Chicago chapter and an active member of NIRI’s senior investor relations roundtable. Mr. Weidner was also a member of The Conference Board’s Global Council of Investor Relations Executives.

In addition to his advanced degree, Mr. Weidner holds a B.A. degree in political science from Northwestern University; he successfully completed the Professional Accounting Program at Northwestern’s Kellogg Graduate School of Management; and he is a
Certified Association Executive. Mr. Weidner is a past director of the Culver Legion Board. He and his wife, Kathy, reside in Lake Barrington, IL, and have three children: Lauren, Robert and Matthew.
