

SPEAKER INFORMATION

Date: *Thursday, November 7, 2019*
Event: *“Decision Support for Maintaining Water Quality in Building Plumbing”*
Time: *10:00 am – 10:45 am*

Patrick Gurian, Ph.D.
Associate Professor
Drexel University
Phone: 949 412 2600
pgurian@drexel.edu

Patrick Gurian is an associate professor in the Department of Civil, Architectural, and Environmental Engineering at Drexel University. His research interests are in risk assessment, including both chemical and microbiological health risks. He is the principal investigator of an EPA-funded project identifying risk factors and developing decision support tools for managing water quality in building plumbing systems.
