ssalmondc@gmail.com

Stephanie Salmon is president of Potomac Government Relations, a government affairs and public policy firm located on Capitol Hill in Washington, D.C. She has over 25 years of government relations experience and works with clients to represent their policy priorities before the Congress, the executive branch and regulatory bodies in issue areas such as manufacturing, environment, water, trade, energy, workforce, tax, and appropriations. She has successfully developed advocacy strategies on a wide variety of issues, as well as organized and managed dozens of PMI Legislative Forums and Fly-Ins.

Before launching her business in 2013, she was vice president of government relations at the public relations and government relations firm of Artemis Strategies, where she managed the government affairs efforts of three manufacturing trade associations.

From 1998 until June 2010, she served in a variety of positions for the Washington, DC-based government affairs firm of Waterman & Associates, including vice president of government affairs. She oversaw the government affairs services for several metalworking-related associations.

She is a member of the Association of Women in International Trade, Ripon Society, Women in Government Relations, and serves on a number National Association of Manufacturers' policy committees. Ms. Salmon graduated from the American University with a bachelor of arts in international relations, with a concentration in economics and business. A native of Cincinnati, Ohio, Ms. Salmon resides in Arlington, Virginia.
