

Paul Patton PMI Manufacturing Success Conference Award

The Paul Patton PMI Manufacturing Success Conference Award recognizes an employee of a PMI member company who shows outstanding potential for a career in plumbing manufacturing. The award recipient receives complimentary registration to this year's PMI Manufacturing Success Conference, including the PMI Inspiring Leaders Program and PMI Meeting of the Membership.

Any employee who is nominated by a fellow employee is eligible for the award. Nominees must possess outstanding characteristics relating to leadership, community service, teamwork, or other personal qualities.
